This is Morgan winning back to back Specialties from the Veterans class in August 2017. That weekend he retired from the ring by achieving his Gold Grand Champion status. He retired as the #1 Lhasa in the breed and finished the year as #2, only 4 points behind the number one Lhasa. Morgan is now 11 1/2 years old and still full of energy. He was hoping to compete in the Veterans 11 and over class, but is teaching his new grand-puppy the ropes instead.
